**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner who supports broadband competition.

I'm saying NO to price hikes that will increase the cost of internet and telephone services.

Broadband is critical to my home and business. It is major driver of my marketing and is a pipeline to my customers. We have fiber today but were previously connected with competitive DSL. It's a now a new big expense and my DSL was working fine.
